POST EVENT REPORT

BASIC COMMUNICATION SKILLS

Date:02/02/2022

Venue-Lecture Hall 3

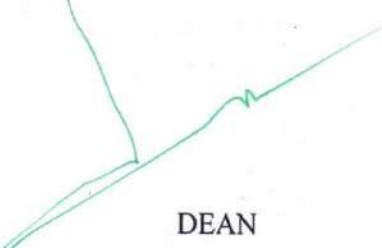

Speaker- Dr Shruthi Rao

Communication is an integral part of the development of phonetics in human species. The world order that we see and experience today is largely because of effective communication skills. Dentistry is no different in this aspect. A doctor to doctor, doctor to student, doctor to patient is an effective communication channel through which dentistry is practiced and professed. RCDSR conducts special training classes on aspiring dental graduates in effective communication skills based on language and interpersonal interaction .

A programme was organized in lecture hall on 02.02.2022 at 3.00 pm. Dr Shruthi Rao ,Dept of OMFS was the speaker for the day. All the faculties and students participated in the lecture and interactive session.

POST EVENT REPORT

CONSENT AND REFERAL- COMMUNICATION BETWEEN PRACTITIONERS

Date: 4.03.2020

Venue: Lecture Hall 3

Informed consent is fundamental to the ethics of clinical care and research involving people. Although it is typically the ethical responsibility and legal duty of health care professionals to obtain valid informed consent from patients and research participants, consent is not always well interpreted or well documented in practice,

Referring to a consulting dentist allows patients to receive care from a professional with specialized training to meet their unique needs. It is crucial to instil in the students the value of referral and consent. Program conducted in lecture hall 3 on 4/03/20 from 9:00 am - 10:00 am for all faculties and students.

DR. FATIMA KHAN was speaker for the day.

REPORT ON USE OF BIOSTATISTICS IN RESEARCH WORK

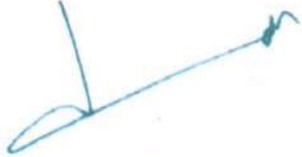

To develop knowledge on the fundamentals of research, Rungta College of Dental Sciences and Research, Bhilai, conducted a seminar on Research methodology on 06-08-2018.

Dr Pradeep Tawane, Dean, RCDSR, welcomed all the dignitaries and participants. Workshop started with a lecture by the eminent keynote speaker Dr Anjaneye Sharma, Academic director, School of PG studies, ESCI, Gachibowli, Hyderabad enlightened all the participants to build knowledge on Biostatistics and its use in research.

The seminar was conducted free of cost for the post graduate students to develop skills for synopsis/thesis development and academic writing. The event comprised of 136 participants including staff and students. Valedictory function was conducted by Dr Ram Tiwari, Senior lecturer, Dept of Community Dentistry. Vote of thanks was given by Dr Javed Sodawala, Professor, Department of Orthodontics.

POST EVENT REPORT

APPEARANCE MANAGEMENT

Date:27.09.2017

Venue: Lecture Hall 3

Speaker – Dr Shaheen Hamdani

Attire and personal grooming are important aspects of personality development. Looks always matter in a professional career graph. Doctors should carry this trait as their primary trademark. Often appearance becomes a matter of choosing one professional over the other. It is important to teach dental students about personal appearance which includes attire, conduct and grooming. Special training classes are conducted for dental students on appearance management.

A programme was organized in lecture hall 3 on 27.09.2017 at 9.00 am for students and faculties. Dr Shaheen Hamdani was the speaker for the day.
