## REPORT ON

## MITANIN FELICITATION

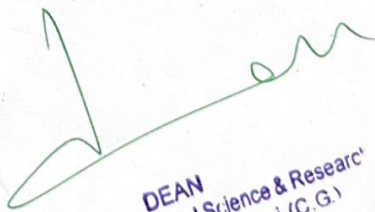

DATE : 08/03/2022

The Department of Public Health Dentistry of this institute was given the responsibility to train Mitanin. About 1400 Mitanins are working in Durg District of Chattisgarh which is huge number of social worker to spread the message of general and dental health in common population which are ignorant about the dental health care facilities in particular. A systematic program was designed to train these Mitanins as a helping hand to extend the dental and oral health care facilities to illiterate and down thrown population of Durg District by educating them to create awareness related to oral health.

In all two training workshop per year were conducted in the domain of oral health education for the Mitanin. In the workshop, education booklets containing information about common oral diseases, their prevention and treatment were distributed among the Mitanin.

Along with this the master trainers have conducted workshop with PowerPoint presentation containing the information necessary for training the Mitanins. This repetitive and reinforced education modality has provided concrete information in the area of oral health awareness in for better communication with the master trainer to acquire required knowledge and skill. Any doubts or queries were answered at the same workshop.

## MENTOR-MENTEE PROGRAMME (Preceptorship programme)

### Student Mentoring

#### Preamble:

A smooth, coordinated, harmonial situation amongst the students and with teaching and non teaching staff is necessary for providing conducive atmosphere in the campus. Monitoring the student in systematic way to provide comfort and confidence to students to participate in curricular and extracurricular activities in campus and also outside the campus and record to be maintained of regular interactions.

The teacher designated for a group of students should be in regular touch with the students in regards to their learning process, health related issues, hostel life including mess facilities and overall the better environment for achieving their goal of attaining required knowledge and skill to practice dentistry and maintaining better rapport with all component of society. In short, the teacher (mentor) should observe and guide the student (mentee) during entire tenure to transform him/her into better human being and better professional.

Freshly admitted BDS students may face challenges in the following aspects such as adaptation to new environment and academic schedule, to understand the needs of the curriculum, to develop healthy interpersonal relation and also for personality development. This scheme is a unique initiative which can address the varying requirements of the students who are away from their parents and hometown.

#### Objective:

1. Providing a reliable and comprehensive support system (preceptorship) to motivate students to excel in both academic and non-academic fields and to make the most of their life comfortable at the Institute/campus.
2. To orient the undergraduate students to understand the challenges in the learning process and the opportunities available in the Institute related to curriculum and extracurricular activities to utilize them for better transformation of ordinary students into professional.

**DEAN**  
Rungta College of Dental Science & Research  
Kohka Road, Kurud, Bhilai (C.G.)

3. To provide counselling of academically weak undergraduate students and to play an important role in helping such students to cope up with academic, extra-academic and personal problems in the campus and also outside the campus.
4. To interact regularly with first year undergraduate students to motivate them related to the requirements of professional studies and difficulties encountered during their period of study related academics.
5. To proactively try to identify problems of the general student populace and to bring them to the notice of the concerned authorities for providing solution.
6. Ensuring regularity and punctuality of students through planned counselling sessions to understand their difficulties.
7. To maintain record of such interactions.

**Mentor:**

A faculty designated as the mentor for a group of students should have fulfilled the following criteria:

1. Minimum 1 year of service at RCDSR.
2. Should be willing and have interest to become the teacher guardian and also should be willing to interact with the students on a regular basis.

**Operative :**

1. At the time of admission, every student and parent will be briefed about this programme.
2. A group of 10 students for each teacher (mentor) will be allotted at the beginning of the session.
3. At the time of orientation programme, the teacher/mentor will be introduced to the parents of student and informed about the mentor-mentee programme with all necessary contact information (mobile number or email id, the contact details of the parents such as address, mobile/office number, email id etc.) will also to be collected to ensure effective communication with the students and parents.
4. Students need to meet their mentor as per schedule. They should be in contact with their mentor regarding any leave, leaving the campus as well as any change of hostel

**DEAN**  
Rungta College of Dental Science & Research  
Kohka Road, Kurud, Bhilai (C.G.)

or residence and any difficulty or problem faced during their academic activities or outside the campus.

**Review pattern:**

The mentors should present a monthly report to the Convener, Mentorship. The convener shall present consolidated report in college council meeting for discussion and action required if any. This report will highlight student problems and necessary action to be taken.

**Schedule of meeting and action plan:**

1. As per the slot provided in time table for first to final year BDS students the monthly meeting to be conducted by mentor with a group of students allotted.
2. The record to be maintained, signed by mentor for that meeting.
3. Mentor to inform details to chief mentor immediately after meeting.
4. Chief mentor should prepare comprehensive report for all classes and present it to college council (monthly) meeting for discussion and appropriate action.
5. Wherever required, the chief mentor along with mentor should do counselling of mentee as per need; if necessary parents may be informed or/ counselling to be done in presence of parents.
6. At the end of academic session, the details to be recorded in 'student mentorship programme' booklet.
